

AVALON CAB

LODI CABERNET SAUVIGNON 2016

Introducing the 2016 Avalon CAB Cabernet Sauvignon
Featuring a fresh new look and elevated LODI appellation!

Avalon CAB is one of America's top selling wines for a reason: delicious, approachable and every day exceptional, Avalon can turn even the craziest day into a CAB day.

Now upgraded with a fresh new look and elevated LODI appellation, Avalon continues to outpace the competition with the highest possible quality-for-value propositions available.

VINTAGE

The 2016 vintage was near perfect. A mild winter and spring led to early bud break and even ripening throughout the summer. Grapes were harvested with stunning color, balanced sugars and tannins.

LODI AVA

- Situated 100 miles directly east of San Francisco, the Mediterranean climate features long warm days and cool evenings for even vineyard ripening.
- LODI RULES™ Initiated in 2005 for Sustainable Winegrowing. Over 20,000 planted acres are certified green - providing best practice land stewardship and higher quality grapes.
- *Wine Enthusiast* 2015 Wine Region of the Year

SENSORY PROFILE

Juicy aromas of dark fruit, mocha and spice meet with hints of vanilla. On the palate, black cherry, red raspberry and plum are followed by a long, smooth finish.

RECOMMENDED FOOD PAIRINGS

Avalon CAB's ripe fruit and clean acidity make it a versatile food partner. Enjoy a glass on its own or with your favorite foods like grilled burgers, pizza and rotisserie chicken.
